Harold Weisberg
Route 12
Frederick, Maryland 21701

Dear Mr. Weisberg:

I'm afraid the answer has to be "no" on this. You may be on to something here, and I wish you good luck in your endeavors, but I'm afraid the manuscript is virtually unintelligible to someone who has not already been following these controversies extremely closely. That's the most honest assessment I can give. I'm sorry; I wish I could be more encouraging.

Sincerely,

Adam Hochschild
